

Assistant Cook/ Housekeeping Assistant

A vacancy has arisen at Fintry Retreat House, Brook for a part-time Assistant Cook/
Housekeeping Assistant.

Duties include:-

1. Assisting the cook with food preparation, and generally providing kitchen support, washing-up, etc. (The proportion of time given to this area increases when guests are in residence.)
2. Cleaning and other household tasks as needed. Making bedrooms and bathrooms ready for guests, and assisting with the laundry.

Fintry is a non-denominational retreat house, and you would work alongside our cook as she prepares meals for guests on our Agas, using vegetables and fruit brought in from our gardens in a large, well-supplied, but genuinely old-world kitchen.

You would also work in a team sharing in the cleaning and preparing rooms for guests.

We are a small and friendly staff; Fintry is in a beautiful and peaceful setting, and we are fully committed to being a good and sympathetic employer.
