

### **THE DIVINE PYMANDER OF HERMES TRISMEGISTUS**

Ancient Egypt was the cradle of human wisdom and Hermes Trismegistus was one of the first teachers of mankind. In this volume the basic ideas which underlie all knowledge of reality are set forth, with their inter-relationships. This Hermetic Wisdom unfolds the most profound mysteries in philosophic terms.

ISBN 9780900664045 (cloth £12.00)

### **THE CHALDEAN ORACLES**

Translated with commentary, and presented as a cosmological system.

ISBN 9780900664175 (cloth £10.00)

### **THE GOLDEN VERSES OF THE PYTHAGOREANS**

This beautiful and readable translation, with commentary, enshrines the essential spirit of the system of Pythagoras as the "trainer of souls", while providing a practical guide to daily life.

ISBN 9780900664113 (cloth £8.00)

### **THE HUMAN SOUL IN THE MYTHS OF PLATO**

A valuable work which collects into one book many of the truths which Plato revealed mystically in his dialogues concerning the soul: its nature, its journey into the realms of generation, its estate after the death of the body, and its final conquest and restoration to its true home.

ISBN 9780900664083 (cloth £10.00)

### **TWO DIALOGUES OF PLATO**

#### **THE FIRST ALCIBIADES and THE MENO**

These two dialogues investigate the real nature of man and demonstrate the immortality of the soul and the reality of innate ideas.

ISBN 9780900664137 (cloth £10.00)

### **SACRED MYTHOI OF DEMIGODS AND HEROES**

A valuable and powerful interpretation of the myths of Prometheus, Perseus and The Labours of Hercules, giving for each a detailed key to their meaning.

ISBN 9780900664182 (paper £5.00)

### **PLOTINUS AND THE PATH TO LIBERATION – The One, the**

**Universe and the Soul in the philosophy of Plotinus** (inc. **ON THE BEAUTIFUL** trans. by the Editors and **ON INTELLIGIBLE BEAUTY** trans. by Thomas Taylor) - a systematic guide to the philosophy of this great thinker.

ISBN 9780900664205 (cloth £15.00)

### **MEDICINA MENTIS** by Thomas Taylor

A specimen of Theological Arithmetic, representing in symbols and numbers the procession of things from The One. Includes a biography of the author, with bibliography, and four hymns.

ISBN 9780900664168 (paper £4.00)

### **DIONYSIUS THE AREOPAGITE**

#### **THE MYSTICAL THEOLOGY & THE CELESTIAL HIERARCHIES**

ISBN 9780900664038 (cloth £10.00)

#### **THE DIVINE NAMES**

ISBN 9780900664021 (cloth £10.00)

These writings by Dionysius the Areopagite became the form and type of mystical religion within the Church early in its history, and inspired generations of mystics and poets. The Mystical Theology and the Celestial Hierarchies has just been revised with a new introduction and appendices, including the first English translation of Mystical Theology by the author of The Cloud of Unknowing, and the Latin texts upon which it was based.

#### **A SYNTHESIS OF THE TEACHINGS OF ST PAUL**

This work shows the mystical affinity between the Christian and Platonic systems.

ISBN 9780900664144 (paper £3.00)

#### **CENTURIES OF MEDITATIONS** by Thomas Traherne

A reprint of Bertram Dobell's 1908 edition with a new introduction.

ISBN 9780900664199 (cloth £15.00)

#### **THE SIMPLE WAY OF LAO TSZE**

This excellent translation of the Tao Teh King, with commentary, preserves the beauty and spirit of the original.

ISBN 9780900664076 (cloth £10.00)

#### **THE CLASSIC OF PURITY**

Chinese treatise on the Way of Attainment by purifying the mind and stilling desires.

ISBN 9780900664014 (paper £2.00)

#### **THE HISTORY OF GREAT LIGHT**

Taoist classic by Hui-Nan-Tsze.

ISBN 9780900664052 (paper £3.50)

#### **YIN FU KING**

Early Taoist classic attributed to Huang-Tsze, the Yellow Emperor.

ISBN 9780900664151 (paper £3.50)

#### **THE AWAKENING OF FAITH IN THE MAHAYANA** by Asvaghosha.

One of the most profound works of the Mahayana School.

ISBN 9780900664007 (cloth £10.00)

#### **A SYNTHESIS OF THE BHAGAVAD GITA**

One of the most precious scriptures of the world. Passages are grouped under the Margas or Paths to assist study.

ISBN 9780900664120 (cloth £10.00)

## IDEAL PHILOSOPHY

An original production which sets out the profound truths underlying philosophy, mysticism and religion.

ISBN 9780900664069

(cloth £3.00)

## PERPETUAL FESTIVAL CALENDAR

A daily reminder of the Great Ones who have perpetuated the Universal Wisdom.  
(£5.00)

---

**THE SHRINE OF WISDOM publishes under the auspices of THE FINTRY TRUST (Reg.Charity No. 31326).**

Its purpose is to assist sincere followers of any system of philosophy, religion or mysticism in their search for ultimate Reality and union with the Divine as the Good, the True and the Beautiful.

Through its publications it seeks to preserve the essential aspects of those truths presented by the great philosophical, religious and mystical systems and by the known great World Teachers. It aims to assist in the harmonious integration of all presentations of the Wisdom of the ages, by revealing the relationships of all particular expressions to the universal first principles from which they derive, while at the same time preserving their characteristic beauty and appeal as unique and distinctive facets of the one integral Truth, Goodness and Beauty.
